Reading & Writing Advanced Writing Bachelor's Degree in Writing Bachelor's Degree in Writing The Bachelor of Arts in Writing is designed to help students learn to write in a variety of media. Students will develop critical thinking and creative writing skills in conjunction with the advancement of their majors. You will learn to develop a clear thesis statement and outline to develop a good paper. From this, you will learn to develop a quality paper that analyzes a contemporary literary work and has the ability to differentiate itself from other papers in its discipline. All writing majors will enroll in the foundational core of writing courses and also selected electives that relate to their major. In addition, they are encouraged to pursue other writing-related experiences that further enhance their writing skills. Writing Requirements for the BA in Writing The following writing courses are required for the Writing BA program and include the number of hours required and the minimum grade point for each course: B.A. in Writing 101 0 English Composition I Composition II 161 0
